

## **Call for Art Projects – 2025 Grant Opportunity**

**People Act for Tunisia** is pleased to launch an open call for art projects with a strong connection to Tunisia, its heritage, and cultural identity, while embracing sustainability and community engagement.

We are offering four grants, ranging from \$2,000 to \$20,000, to support creative projects that honour Tunisia's past while imagining sustainable and inclusive futures.

### **What We're Looking For:**

We invite proposals from artists, collectives, and cultural practitioners working across disciplines—visual arts, performance, music, crafts, design, or interdisciplinary practices—that:

- Engage deeply with Tunisian culture, history, and heritage
- Incorporate elements of sustainability, whether environmental, cultural, or social
- Meaningfully involve or benefit local communities
- Offer a longer-term impact or leave a lasting trace within the charity's mission

*The selected projects should also contribute to PAcT's mission (examples: include workshops or public programs during the project timing; contribute with a percentage of proceeds or a dedicated artwork from a commercial project to support PAcT's charitable activities...)*

We believe in mutual enrichment – that support from PAcT should empower artists while also nurturing broader cultural and community development in Tunisia.

**Grant Details:**

- Number of Grants: 4
- Grant Amounts: \$2,000 – \$20,000
- Submission Deadline: June 30, 2025
- Announcement of Selected Projects: September 15, 2025

**Eligibility:**

- Open to Tunisian artists or those with a demonstrable link to Tunisia
- Projects can be new or in progress, but not completed by the submission deadline
- Individual and collaborative applications welcome

**To Apply:**

Full application should be sent to [info@peopleactfortunisia.org](mailto:info@peopleactfortunisia.org)
